

# **MIND BODY SWING - GOLFER & GUARDIAN CODE OF CONDUCT**

Mind Body Swing is committed to creating a respectful, focused, and growth-oriented environment for junior athletes. Participation in our programs requires alignment with our core values of discipline, effort, and sportsmanship. By joining an MBS Junior Program, both the golfer and their parent/guardian agree to the following:

## **Golfers**

- I will treat coaches, staff, and fellow participants with respect at all times.
- I will arrive on time, ready to train, and with a positive attitude.
- I will give my best effort in every session, take feedback seriously, and apply it.
- I will stay focused during training and avoid disruptive or disrespectful behavior.
- I will not use inappropriate language or gestures.
- I understand that missed sessions will not be rescheduled or refunded.
- I understand that continued behavior issues may result in dismissal from the program.

## **Parents/Guardians**

- I will support my child's development with encouragement, consistency, and communication.
- I will notify coaches of any schedule conflicts ahead of time.
- I will trust the coaching process and allow coaches to lead training.
- I will treat all coaches, staff, and fellow families with respect.
- I will help my child understand the value of long-term progress, not quick fixes.
- I understand that space is limited and consistent attendance matters.

I have read and understand the MBS Code of Conduct. I agree to uphold these expectations and understand that failure to do so may result in limited access to future programs.
